Q8: Are the activities our school provides (e.g., field trips, residencies, theatre performances, etc.) important for your child's learning?

Responses: 4

Responses:

Yes, I think giving learning experiences through school is very important.

Absolutely

activities and out of school field trips are very important

Absolutely! Whether it directly relates to their current learnings or not, it is a great experience for them outside the classroom.

Q9: Are there any activities that you would like the school to consider, in the upcoming school year? (whole school, or specific grade)

Responses: 3

Responses:

None

Residencies are valuable- whole school

Not that I can think of at the moment.

Q10: Are the school fees you pay reasonable, considering the benefit they provide your child?

Responses: 4

Responses:
Yes
Yes
yes
Completely reasonable

Q11: What do you see as reasonable in-terms of off-site field trip experiences for your child? (e.g. number per year, maximum price per student per field trip, etc.)
